- Other diagnostic data

The information will be collected and retained by the following entity:

Name: Legalsense Technologies Private Limited

Phone: +91-9649102939

Email: hello@amikus.ai

Use of your Personal Data

We may use your Personal Data for the following purposes:

- **To provide and maintain our Service:** To ensure smooth and uninterrupted provision of our Service, including monitoring the usage of our Service and understanding user expectations.
- **To manage your account:** To manage your registration as a user of the Service. The Personal Data you provide can give you access to different functionalities of the Service that are available to you as a registered user.
- **For the performance of a contract:** Development, compliance and undertaking of the purchase contract for the products, items or services you have purchased or of any other contract with us through the Service.
- **To contact you:** To contact you by email, telephone calls, SMS, or other equivalent forms of electronic communication, such as a mobile application's push notifications regarding updates or informative communications related to the functionalities, products or contracted services, including the security updates, when necessary or reasonable for their implementation.
- **To provide you with updates:** To provide news, notifications regarding special offers and general information about other goods, services and events which we offer that are similar to those that you have already purchased or enquired about unless you have opted not to receive such information.
- **To manage your requests:** To attend and manage your requests to us.
- **For business transfers:** To evaluate or conduct a merger, divestiture, restructuring, reorganization, dissolution, or other sale or transfer of some or all of our assets, whether as a going concern or as part of bankruptcy, liquidation, or similar proceeding, in which the data held by us about our Service users is among the assets transferred.

- **For other purposes:** For other purposes such as data analysis, identifying usage trends, determining the effectiveness of our promotional campaigns, internal auditing and to evaluate and improve our Service, products, ancillary services, marketing and your experience.

Disclosure of your Data

Except as provided herein, the Company will not publish or disclose your Personal Data without your prior consent. We may disclose or share your Personal Data in the following situations:

- **With service providers:** We may share your Personal Data with third party service providers and business partners to monitor and analyze the use of our Service, for payment processing, and to contact you.
- **For business transfers:** We may share or transfer your Personal Data in connection with, or during negotiations of, any merger, sale of Company assets, financing, or acquisition of all or a portion of our business to another company.
- **With affiliates:** We may share your Personal Data with our affiliates. Affiliates include our parent company and any other subsidiaries, joint venture partners, or other companies that we control or that are under common control with us.
- **With your consent:** We may disclose your Personal Data for any other purpose with your consent.
- **In compliance with legal requirements:** We may disclose your data in the good faith belief that such action is necessary to:
 - Comply with a legal obligation under the law in force at the time.
 - Protect and defend the rights or property of the Company.
 - Respond to valid requests by public authorities.
 - Prevent or investigate possible wrongdoing in connection with the Service.
 - Protect the personal safety of users of the Service or the public.
 - Protect against legal liability.

Retention of Personal Data

We will retain your Personal Data only for as long as is necessary for the purposes set out in this Policy. We will retain and use your Personal Data to the extent necessary to comply with our legal obligations (for example, if we are required to retain your data to comply with applicable laws), resolve disputes, and enforce our legal agreements and policies.

Transfer of Personal Data

Your Personal Data is processed at the Company's operating offices and in any other places where the parties involved in the processing are located. It means that this information may be transferred to, and maintained on, computers located outside of your state, province, country or other governmental jurisdiction where the data protection laws may differ than those from your jurisdiction. Your consent to this Policy followed by your submission of such information represents your agreement to that transfer.

Access to Personal Data

You will have the right, upon request, to access and review the Personal Data provided by you and held by the Company. Upon discovering that the Personal Data provided is inaccurate or deficient in any manner, you will have the right to request suitable changes or amendments to such information, which may be provided by the Company, when feasible.

You have the right to request the deletion of your Personal Data and withdraw consent for further collection of your Personal Data, subject to certain exceptions. We may deny your deletion request if retaining the information is necessary for us to:

- Complete the transaction for which we collected the Personal Data, provide a good or service that you requested, take actions reasonably anticipated within the context of our ongoing business relationship with you, or otherwise perform our contract with you.
- Detect security incidents, protect against malicious, deceptive, fraudulent, or illegal activity, or prosecute those responsible for such activities.
- Debug products to identify and repair errors that impair existing intended functionality.
- Enable solely internal uses that are reasonably aligned with consumer expectations based on your relationship with us.
- Comply with a legal obligation.
- Make other internal and lawful uses of that information that are compatible with the context in which you provided it.

In the event you delete or withdraw your consent for collection of any Personal Data, we may not be able to provide our Services to you.

Security of your Personal Data

We are committed to securing your Personal Data and keeping it confidential by implementing reasonable security practices and standards. While we strive to use commercially acceptable means to protect your Personal Data, we cannot guarantee its absolute security. The Company ensures the confidentiality and security of the Personal Data provided by you by implementing comprehensive information security practices and standards as mandated by the Data Privacy Rules.
